

APG CASH DRAWER

VASARIO CASH DRAWER LOCK REPLACEMENT INSTRUCTIONS

Summary:

To Remove the Lock:

1. Open the drawer with the key.
2. Remove the till.
3. Note the clip holding the lock set in place on the inside of the drawer front. See drawing below.
4. Remove the clip.
5. Now the lock set can be removed by tipping the lock assembly to one side and pushing it out the hole in the drawer front.

To Install the Lock:

1. Install the lock set with the lock cam (long metal piece attached to the back of the lock) pointing to the right as you face the front of the lock.
2. Tip the lock assembly as you push it into the hole in the drawer front.
3. Install the clip as shown.
