MAXI-SPACESAVER Cash Drawer

BESPOKE CASH DRAWER SOLUTIONS TO FIT ALL ENVIRONMENTS

APG's bespoke range delivers a cash drawer tailored to fit the exact needs of leading retailers worldwide. For over 40 years we have developed solutions to every type of cash handling problem encountered at the Point of Sale. From enhanced security options, to different insert configurations and specially adapted cash drawers to fit unique PoS designs, there is always a solution available to pick from to meet your requirements.

The MAXI-SPACESAVER (S-SVR) model offers a special design where a slide out cash drawer features a unique flip lid opening providing the optimum working area for cashiers with limited checkout space.

Highly Durable

The MAXI S-SVR cash drawer features a very robust steel construction with steel ball bearing runners for a prolonged operational life, therefore it is suitable for the busiest of retail environments.

Maximum Internal Storage

The spacious MAXI S-SVR insert provides 8 high capacity coin and 8 vertical note compartments, plus 2 additional media storage areas through the posting slots offering extremely large capacity for a high cash environment.

INSTALL IT. FORGET IT.
